**Website update**

Following consultation with the Solomon Islands Government, we have announced that select scheduled international passenger flights will be suspended until 2 July 2022.

**For international passengers ticketed for travel to 2 July 2022**

Changes if new travel date is known:

A date change is permitted without a change fee and we will rebook you on the next available flight that suits. All changes must be made prior to the original ticketed departure date and new dates must be within the ticket validity. Please note that your ticket is valid for travel within 12 months from the date of issue. All other fare rules are still applicable.

Cancellation if new travel date is unknown:

Customers may use the value of their ticket as a credit towards the purchase of a new ticket. Your original ticket validity will be extended and is valid as a credit until 31 December 2023 towards a higher fare. The original ticket must be reissued and all travel completed within the above validity. No reissue fee will apply at the time of the ticket reissue however a fare and tax difference may apply, subject to availability. Further conditions may also apply.

**For all other passengers including ticketed travel from 3 July 2022**

Normal ticket conditions apply. Please contact Solomon Airlines for further updates.

**Bookings through travel agencies or third-party websites**

If your flights were booked through a travel agency or third-party website (not booked through [www.flysolomons.com](http://www.flysolomons.com)), contact these companies directly to make any changes.
